## **Learning the Ukulele Fingerboard**

by Curt Sheller

---

**Pottstown, PA** – Curt Sheller Publications today announced the release of a new book for ukulele players titled “Learning the Ukulele Fingerboard” by Curt Sheller.

Beyond knowing the names of the open strings most ukulele players find it hard to learn the whole fingerboard.

If your goal is to finally learn the names of the notes on the ukulele fingerboard for your favorite tuning or all three common tunings, including the low tuning variations of each. Then “Learning the Ukulele Fingerboard” is your answer. “Learning the Ukulele Fingerboard” has a step by step approach to finally mastering the ukulele fingerboard.

*More information can be found on the  
Curt Sheller Publications ukulele web site:*
